Research Success Teams (RST): Decipher Summary Statements: The Inevitable Resubmission

Dr. Ching-Ling Lien will lead this 60-minute session designed to help investigators interpret NIH summary statements, understand common pitfalls, and develop strategies for successful resubmission. Participants will gain practical guidance on how to strengthen their applications and improve their chances of funding success.

Our RST sessions are intended to be fairly informal, as an opportunity for focused learning and discussion around specific topics related to grant preparation and submission
