Research Success Teams (RST): Creating Your (Research) Mentor Team

Join Dr. Tamara Simon for a focused 60-minute talk that shows you how to identify, recruit, and align mentors who accelerate your scholarly goals. You will leave with a practical framework, and tips to keep your team engaged over time.

Our RST sessions are intended to be fairly informal, as an opportunity for focused learning and discussion around specific topics related to grant preparation and submission.

What is RST?

Tuesday, November 17th, 2026

12:00-1:00 PM PST

Via Zoom

This program is open to all eligible individuals. SC CTSI operates all of its programs and activities consistent with the University's Notice of Non-Discrimination. Eligibility is not determined based on race, sex, ethnicity, sexual orientation, or any other prohibited factor.

Individuals with disabilities who need accommodations to attend this event may contact SC CTSI at communications@sc-ctsi.org. It is requested that individuals requiring accommodations or auxiliary aids such as sign language interpreters and alternative format materials notify us at least 7 days prior to the event. Every reasonable effort will be made to provide reasonable accommodations in an effective and timely manner.
