

# CALL FOR ABSTRACTS

## 2025 DESCIPHER Symposium

Healthcare **D**elivery **S**cience: Innovation and  
Partnerships for **H**ealth **R**esearch

*The Innovation Imperative: Ensuring Healthcare  
for Every Community*

*In this time of change, the healthcare field is compelled to develop approaches to achieve the crucial goal of ensuring that all communities are healthy. This symposium will highlight novel programs and provide opportunities to brainstorm ideas for ensuring optimal health for everyone. It aims to foster dialogue, generate new knowledge, and identify actionable solutions for creating a more accessible healthcare system for all.*

### Date and Time

October 28, 2025  
8:00am - 5:00pm
