

Jon Detterich, MD

Professor of
Pediatrics at the
University of
Southern California
(USC)

What is RST?

Register now

How to get started with submitting a new NIH application: how to find and review NIH PAFs, RFAs, etc. (what to look for, how to find key information); using SF424

The Research Success Teams (RST) program equips early career investigators with the skills they need to become independently funded.

Research Success Teams provides specialized support for junior investigators to prepare and submit competitive proposals for Career Development Awards or Independent Research Awards. Join this didactic session to become familiar with RST and understand how it can support your research career goals.
