Qualitative Analysis Workshop

Taught by Rachel Carmen Ceasar

Over two sessions, we'll go over how to analyze qualitative data using Rapid Group Analysis (Rap-GAP), a new collaborative method that's more efficient than traditional approaches while maintaining rigor and diverse voices.

Workshop Highlights

- Reading transcripts for contextual themes while preserving diverse perspectives
- Organizing key insights and learnings across multiple stakeholders
- Facilitating collaborative analysis

No prior experience or software needed!

October 21st & October 28th 2025

10:00 am - 12:00 pm PDT

Via Zoom
