

Translational Science Panel: *How to Identify a Translational Science Challenge*

Workshop Highlights:

By the end of this session, participants will be able to:

- **Identify** research challenges that extend beyond a single project or disease area
- **Distinguish** translational science challenges from project-specific research problems
- **Describe** how addressing cross-cutting challenges can improve the translational research process

October 5, 2026

***12:00pm-1:00pm
PT***

Zoom

Who should attend?

Faculty, Research Professionals, Trainees and
Students

Panelists

Dr. Linda Ko

*Director of Dissemination and
Implementation, SC CTSI*

Dr. Eunjoo Pacifici
