

## TEAM SCIENCE SEMINAR

### Can We Change How We Think About Failure?

**Rethinking failure:** a candid conversation on turning setbacks into strength for research teams.

#### Following this event, you will be able to:

- Identify different ways of thinking about failure in the context of research collaboration
- Consider the role that failure should play in the culture of a research team
- Describe several strategies for managing and perhaps even welcoming failure

**Michael O'Rourke**

Professor of Philosophy, Michigan State  
Executive Director of the Toolbox Dialogue  
Initiative Center
