

Team Science Tuesdays

Building community and recognizing Team Science by sharing resources and ideas.

2025 Seminar Series

Design as Exploration: Team Thinking about Design Centrality with Dr. Wade Troxell

- Professor of mechanical engineering, affiliated with the Nancy Richardson Design Center and the Center for Ethics and Human Rights
- Learn about design as exploration: an engineering approach that emphasizes creativity and experimentation to find unconventional solutions
- Design as exploration can assist in building a team and selection of team members

Our vision: Team Science is supported, recognized, and valued at our institutions to maximize impact.
