## **Team Science Tuesdays**

Building community and recognizing Team Science by sharing resources and ideas.

## 2025 Seminar Series

## Solving the Puzzle of Team Science

Team Science is a "puzzle" that unites various disciplines, sectors, and communities. How can we solve it?

- Share your Team Science successes and challenges.
- Learn about Team Science support and funding opportunities.
- All team members are welcome: researchers, trainees, staff, and external partners.

Our vision: Team Science is supported, recognized, and valued at our institutions to maximize impact.
