2024 PILOT FUNDING PROGRAM

This year, the SC CTSI Research Development Core will concurrently offer two types of pilot grants: (a) **Standard Pilot Grants** of up to \$50,000 each and (b) **Multidisciplinary Pilot Grants** of up to \$125,000 each, both focused on clinical and community-engaged research.

Full-time faculty members at USC and CHLA are eligible to apply as PI.
