

FAITH AND FACTS:

COVID-19 VACCINE INFORMATIONAL TOOLKIT

The community is at the heart of everything we do. So, we designed this toolkit with the community in mind – to address your needs, questions, worries, and concerns.

In this interactive toolkit, you'll find videos, documents, and resources to inform you about the COVID-19 vaccine and help you and your loved ones make the best decision when it comes to getting the vaccine. All the information here has been fact-checked by medical experts.

Please reach out to us with any questions or suggestions: COVID19@sc-ctsi.org

[Watch as Dr. Gregory Taylor gets the second dose](#) of his COVID-19 vaccine at Keck Hospital. He talks about why it is important to get the vaccine and dispels some rumors about the vaccine. Dr. Taylor is the Medical Director of Keck Signature Care and a Clinical Associate Professor of Medicine at Keck Medicine of USC.

COVID-19 Vaccine Informational Townhall Events

We've held quite a few virtual town hall events to inform the public about the vaccine's safety, efficacy and distribution featuring experts from USC and other institutions. We have offered these events in English and Spanish. Click the videos to the right to view recordings of these events.
