Subject - Visit Tracking (Industry Studies)

CRA Console – shows all subjects at the protocol level
Subject Console – view individual subject information, such as demographic, consent, eligibility, calendar, etc.

Subject Statuses
Subject can progress through several statuses during the course of the protocol. The different tabs in the Subject Console allow you to record this status information.
Consented

Subject understands and agrees to the details in the consent form.

Steps: (Please make sure to Upload Consent and HIPAA forms in Documents/Info tab)
1. Click on Consent (left tab)
2. Enter the Signed Date
3. Click on Select Consents
4. Select “Accepted”
5. Click Save
6. Displays Consent Information and change Subject Status to “CONSENTED”
Eligible
Subject has been evaluated and meets all criteria

Steps:
1. Click on Eligibility (left tab)
2. Select Eligibility Status from the drop down (Eligible)
3. Enter Status Date
4. Click Submit
5. Displays Eligibility Information and change Subject Status to “ELIGIBLE”

</table>

Not Eligible

Steps:
1. Click on Eligibility (left tab)
2. Select Eligibility Status from the drop down (Not Eligible)
3. Enter Status Date
4. Click Submit
5. Displays Eligibility Information and change Subject Status to “NOT ELIGIBLE”
Subject - Visit Tracking (Industry Studies)

On Study

Coordinator has entered an On Study Date

Steps:
1. Click on On Study (left tab)
2. Enter Sequence No (if enabled) – this is the subject protocol no from the sponsor or IVRS
3. Enter On Study Date
4. Add Subject Staff Name and Role (can add more than one)
5. Click Add
6. Click Submit

7. Displays On Study Information and change Subject Status to “ON STUDY”
Subject - Visit Tracking (Industry Studies)

Subject has been enrolled on an Arm, and On Treatment Date has been entered

Steps:
1. Click on On Treatment (left tab) – section to select the appropriate arm of the protocol for which the subject will receive treatment
2. Click on Add
3. Select Arm from the drop down – blinded studies will display one Arm
4. Enter On Arm Date
5. Enter On Treatment Date – activates the Treatment segment of the subject calendar
6. Enter Off Arm Date (if applicable) – where patients start on one Arm and switches to a second Arm at a later point in the study, add Off Arm Date on first Arm before adding the second Arm
7. Click Save
8. Displays Treatment Information and change Subject Status to “ON TREATMENT”
Subject - Visit Tracking (Industry Studies)

Off Treatment

Subject will receive no additional treatment for this study

Steps:
1. Click on Follow-Up (left tab)
2. Click Update
3. Enter Off Treatment Date
4. Select Off Treatment Reason from the drop down
5. Click Submit
6. Displays Off Treatment Information and change Subject Status to “OFF TREATMENT”
Follow-Up Start Date has been entered (will override Off Treatment)

Steps:
1. Click on Follow-Up (left tab)
2. Click Update

2. Click Update
3. Enter Off Study Date
4. Select Off Study Reason from the drop down
5. Click Submit
6. Displays Off Study Information and change Subject Status to “OFF STUDY”
Subject changes mind and no longer consents to treatment

Steps:
1. Click on Consent (left tab)
2. Click Update
3. Select Status from the drop down (Withdrawn)
4. Enter Status Date
5. Click Submit
6. Displays Other Consent Status Information and change Subject Status to “WITHDRAWN”
Subject - Visit Tracking (Industry Studies)

Expired

Subject is no longer alive (may or may not be related to treatment or procedure)

Steps:
1. Click on Follow-Up (left tab)
2. Click Update
3. Enter Expired Date
4. Click Submit
5. Displays Expired Information and change Subject Status to “(Expired)” – depending at what status the subject expired
Subject - Visit Tracking (Industry Studies)

Viewing Protocol Calendar
A protocol calendar will display ALL the visit schedule, the expected procedures as well as the billing designations. It is typically built in segments triggered by date entered in the Subject Console:

- Screening/Pre-Treatment – consent signed date
- Treatment – treatment arm, on/off arm date, on/off treatment date
- Off Study – off treatment date, off study date
- Follow-Up – follow-up start date

Steps:
1. Go to Protocol -> PC Console or Subjects -> CRA Console
2. Enter Protocol to search
3. Click on Protocol Calendar (left tab)
Viewing Subject Calendar
A subject calendar is specific to the assigned treatment arm and specified visits that pertain to the status of the subject.

Steps:
1. Go to Subjects -> CRA Console
2. Enter Protocol to search
3. Click on the Research ID hyperlink for desired Subject
4. Click Calendar (left tab)
5. Click Calendar (either from the Calendar tab or Calendar subtab)
Subject - Visit Tracking (Industry Studies)

Entering Visit Information to Subject Calendar

Steps:
1. Click on the hyperlink for that specific visit

2. Enter the Actual Visit Date
3. Select the Visit Status (Occurred)
4. Enter Procedure Date (optional) – only enter the date for procedures where it is not the same as the actual visit date
5. Missed (optional) – put a check for procedures missed during visit
6. N/A (optional) – put a check for procedures not applicable for that visit

7. Click Submit and Close
Subject - Visit Tracking (Industry Studies)
